Mechanical Product Line Card

Motion Solutions – BLDC Torque Motors, Brushless Servo Motors, Brushless Motors with Integrated Controls, Motor and Drive Controllers, Optical Encoders, Custom Products, Mobile Power Drive Systems
Globe Motors Division – DC Gearmotors, Electric Power Assisted Steering, DC Motors, Custom Brushless DC Motors and Gearmotors
www.alliedmotion.com

Gearmotors-Reducers-Motors to 5HP, Inverter Duty Constant Torque AC Gearmotors, AC/DC Right Angle, Nema 23 and 34 Precision Gear Reducers
www.bisongear.com

Harmonic gearing, harmonic servo gear heads, speed changing and phase shifting differentials, for precision robotics and industrial automation. Precision Harmonic Gearing, Complete Gearheads, Cup and Pancake Style Components up to 4000Nm. Quality & Testing Facilities Include Programmable Motion-Torque Testing & Precision Positional Testing.

ELECTRICAL PRODUCTS LINE CARD

Fusible Bolted Pressure Contact Switches, Pullout Switches & Manual Transfer Switches up to 4000 Amp; UL & ETL; Open & Enclosed; AC & DC Ratings Up To 600v.
www.boltswitch.com

Analog and Digital DC Speed Controls, SCR & PWM, DC Brushless Speed Controls, Digital Tachometers, Battery Operated Speed Controls, Speed Sensors, DC Motors ¼ to 2.0 HP,
www.dartcontrols.com

Wiring Harnesses, Cable Assemblies, Box Builds, Power Distribution Units, Power Cords, Power Cable Products for Data Centers, Contract Manufacturing, Kitting & Assembly
www.electri-cord.com

Electrical Enclosures, Carbon Steel, Stainless Steel, Aluminum, Standard Sizes, Custom Solutions, Custom Dimensions, Cut Outs, Back Panel, Tapping, Customer Powder Coat Paining
www.emfcompany.com

“Energy & Automation”
Motor Control & Protection-Contactors, Starters, Circuit Breakers, Relays Control & Signalling-Pushbuttons, Signal Lights, Limit Switches, Cam Switch Circuit Protection-Disconnects, Surge Protection, Earth Leakage Relays Automation & Control-Timers, Level Control, Micro PLC’s, Power Supplies Energy Management-Metering, Power Factor, Auto Transfer Controllers

Power Components,
Inc

Renold - Standard Couplings, Clutches & Backstops, Marine Couplings, Pin & Bush Couplings, Hydrostat Couplings, Universal Joints, Gear Reducers – Worm, Helical, Bevel Helical, Open Gearing
Co-Lin Metals Fabricating Inc - Machine and Chain Guards – OSHA Approved, Full-service metal fabrication including prototyping and full production—from custom orders to standard replacement parts
RKB - Swiss Bearing Manufacturer including Roller Bearings – Cylindrical / Tapered / Spherical, Ball Bearings, 50mm and up in bore size, extremely competitive
Yuk Group - Chain – Roller / Conveyor / Table Top / Leaf, Sprockets, Pulleys, Racks & Gears
